## **JT JOINS TOGETHER LOVED ONES THIS CHRISTMAS**

For JT, 'Join Together' is more than just a mission statement; it is something the company tries to do at every opportunity. Recognising the importance of families joining together at Christmas, JT has given an Islander free return flights for their loved ones to travel to the Channel Islands this Christmas.

The prize draw winner, Claire Williams from Jersey, was announced on the JTsocal Facebook page and received return flights for her family. Claire Williams' cousin, husband and their 6 month old baby flew Jersey all the way from Scotland to meet Claire and her baby for the first time.

Claire said: "I am honestly so happy right now. Tears of absolute joy from me and my cousins. Thank you so so much for this it has made mine and my families Christmas for definite!"

Tamara O'Brien, Deputy MD of JT Guernsey, at JT said: "For many families, Christmas is seen as the one time of year when everybody joins together. And that's why we wanted to give the some cheer to those that might not have the option otherwise."

She added: "We are really pleased to reunite our winners family, the most nearest and dearest at this special time of year."
