16. Any calls, SMSs and data used whilst roaming will be charged at JT's standard roaming rates. See www.jtglobal.com/roaming for more information.

JT One Lite Roaming Data Bolt-On

17. If the Customer chooses to add data to the JT One Lite mobile services as detailed above (either by purchasing an individual mobile data bolt-on or a shared mobile data bolt-on), the Customer will be able to access and use the mobile data allowance without incurring additional usage charges in the destinations listed on JT's website at www.jtglobal.com/global/terms-conditions/ (the "**Free Roaming Data**").
18. Customers on a JT Pay Monthly mobile plan who share mobile data with a JT One Lite mobile plan will not have access to the shared Free Roaming Data whilst roaming.
19. For the sake of clarity:
 - (a) the Free Roaming Data only applies to mobile data and not call minutes or SMSs;
 - (b) once the whole of the Customer's mobile data allowance has been used, any additional mobile data usage (including any roaming mobile data usage) will be charged at JT's standard (roaming) rates;
 - (c) if the Customer uses mobile data whilst roaming (including the Free Roaming Data) for a period in excess of thirty (30) consecutive calendar days, JT has the right to charge for any roaming usage at its standard roaming rates; and
 - (d) JT may change the list of countries where the Free Roaming Data is available at any time without notice to the Customer. Any changes to the list of countries will be published on the JT website at www.jtglobal.com/global/terms-conditions/ (the "**Included Countries**").
20. The Free Roaming Data is only available to Customers based in the Channel Islands and who permanently reside in the Channel Islands. JT will consider a Customer to be permanently residing in the Channel Islands if:
 - (a) the Customer's bill is sent to an address in the Channel Islands;
 - (b) the mobile device is used in the Channel Islands at least once every thirty (30) calendar days; and
 - (c) the Customer's inclusive call minutes, SMS and mobile data consumption in the Channel Islands is greater than the amount consumed whilst the Customer is roaming,

(together, the “**Conditions**”).

21. If any one (1) or more of the Conditions is not fulfilled, JT reserves the right, at its sole discretion, to: (i) charge its standard roaming rates for any roaming mobile data usage; (ii) charge overage roaming rates for any roaming mobile data usage; and/or (iii) suspend the Customer’s ability to roam on the networks of partner operators in other countries.
22. If a Customer resells a JT Subscriber Identity Module (“**SIM**”) to a person who does not fulfil any one (1) or more of the Conditions, then JT may block the use of that JT SIM.

JT One Lite Roaming Calls/SMSs Bolt-On

23. From 27 May 2022, the Customer may choose to purchase an optional bolt-on to be able to access and use the mobile minutes and SMS allowance applicable to their mobile service without incurring additional usage charges where roaming in the Included Countries (the “**Roaming Calls/SMSs Bolt-On**”).
24. This Roaming Calls/SMSs Bolt-On may only be added to a mobile service associated with a JT One Lite plan.
25. The additional charge associated with the Roaming Calls/SMSs Bolt-On is charged per mobile subscriber. As an example, where the Customer has two (2) JT One Lite mobile services on their account and they would like to purchase the Roaming Calls/SMSs Bolt-On for each mobile service, the Customer would have to purchase two (2) Roaming Calls/SMSs Bolt-Ons.
26. The Roaming Calls/SMSs Bolt-On is active for a minimum of thirty (30) days from the point of activation and the Customer shall be charged the full monthly price of the Roaming Calls/SMSs Bolt-On from the point of activation each month or part thereof.
27. Once the Roaming Calls/SMSs Bolt-On has been activated, the Customer shall be able to use the allowance of mobile minutes and SMSs applicable to their mobile service without incurring additional usage charges when roaming in the Included Countries. For example, where the Customer has a JT One Lite entry level mobile service, the Roaming Calls/SMSs Bolt-On will enable the Customer to use their allowance of mobile minutes to make calls to the Included Countries as well as Channel Island landlines and mobiles.
28. For the avoidance of doubt, where the Customer:
 - (a) purchases the Roaming Calls/SMSs Bolt-On;
 - (b) roams onto a mobile network in the Included Countries; and
 - (c) receives an incoming call or SMS,

the incoming call/SMS will neither decrement the balance of the allowance of minutes and SMSs applicable to the Customer's mobile service nor will the Customer's mobile service be charged for the incoming call/SMS.

29. A Customer can add or remove the Roaming Calls/SMSs Bolt-On via the following methods:
 - (a) through the *JT My Account* application, which can be installed on an Android or iOS device;
 - (b) by emailing: mobile.services@itglobal.com;
 - (c) by telephoning the Customer Contact Centre on 01534 882882; or
 - (d) by visiting JT's retail store in Jersey.
30. Once the thirty (30) day duration of the Roaming Calls/SMSs Bolt-On elapses, it will remain active and continue to renew for thirty (30) day periods on the Customer's account unless and until the Customer removes it using one of the methods at clause 30, above.
31. Where the Customer (i) exceeds the allowance of minutes and/or SMSs applicable to the Customer's mobile service; or (ii) roams onto a mobile network that is not in the Included Countries, they will be charged JT's standard roaming rates for such usage, which are available at <https://www.itglobal.com/global/roaming/>.
32. The Roaming Calls/SMSs Bolt-On is available to new and existing Customers signed up to a JT One service. For the avoidance of doubt, the Roaming Calls/SMSs Bolt-On is not available to existing Customers on legacy tariffs including but not limited to *MyMobile* or *JT Complete*, unless these existing Customers sign up to a JT One service and purchase the Roaming Calls/SMSs Bolt-On.
33. JT may change the Included Countries at any time at its sole discretion and without notice to the Customer. Any changes to the list of countries will be published on the JT website at www.itglobal.com/global/terms-conditions/.
34. The Roaming Calls/SMSs Bolt-On is only available to Customers based in the Channel Islands and who permanently reside in the Channel Islands. JT will consider a Customer to be permanently residing in the Channel Islands where they comply with the Conditions set out above.
35. If any one (1) or more of the Conditions is not fulfilled, JT reserves the right, at its sole discretion, to: (i) charge its standard roaming rates for any roaming minutes/SMSs; (ii) charge overage roaming rates for any roaming minutes/SMSs; and/or (iii) suspend the Customer's ability to roam on the networks of partner operators in other countries.
36. If a Customer resells a JT SIM to a person who does not fulfil any one (1) or more of the Conditions, then JT may block the use of that JT SIM.
37. JT reserves the right to remove the Roaming Calls/SMSs Bolt-On from sale at any time.

General terms

38. Subscription to JT One Lite cannot be taken in conjunction with any other JT landline, mobile or broadband promotional offers.
39. If the Customer removes the mobile service, the broadband service, and/or the landline service or the entry level landline call bundle from the JT One Lite plan, JT One Lite pricing for the remaining service(s) is no longer valid. The account holder will be liable to pay for the remaining minimum term on any disconnected service and the remaining connected services will revert to the following tariffs (the price of which will be at the monthly rate advertised by JT at the time of disconnection, subject to change from time to time at JT's discretion):
 - (a) JT broadband: 500Mb download speed with 100GB peak time data usage allowance;
 - (b) JT Landline: the standard Coreline rate without any landline call minute bundle; and
 - (c) JT Pay Monthly Mobile: 250 worldwide minutes and SMSs with any existing data bolt-ons to which the Customer had subscribed to remain valid save that the Free Roaming Data will no longer apply and any roaming data usage will be charged at JT's standard roaming rates.
40. Online Billing and payment by Direct Debit are standard on the JT One Lite plan. JT will be entitled to charge for each of: (i) billing not received online; and (ii) payment made other than by Direct Debit. Therefore, a Customer that does not sign up to either online billing or payment by Direct Debit may incur additional charges each month.
41. JT One Lite landline and mobile allowances do not include calls made and SMSs sent to premium rate numbers or any other specialised landline or mobile services that incur charges in excess of standard call charges, as detailed on www.jtglobal.com.
